## Compact and durable A4 MFPs for daily use

The SP 3600SF/SP 3610SF offer everything you need for cost-effective black-and-white printing, copying, scanning and faxing. With an attractive purchase price and low Total Cost of Ownership these multifunctional devices are a sensible long-term investment. To optimise your office productivity, Ricoh's new controller offers outstanding speeds and performance. In addition, these devices fit easily on a desktop for quick operation and easy maintenance thanks to their small footprint and full front access. In short, the SP 3600SF/SP 3610SF will help you become even more productive, day in, day out, in an environmentally responsible manner.

- Save money with a low Total Cost of Ownership.
- Save space thanks to a compact, small footprint.
- Create high quality documents with 1,200 dpi printing.
- Easy operation and maintenance.
- Reduce your environmental impact: low power consumption.

# High productivity; low environmental impact

## Highly productive

Equipped with the latest Ricoh controller, the SP 3600SF/SP 3610SF offer high performance as well as fit-for-purpose functionality. Your first printout is ready in just 6.5 seconds, after which these devices speed along at 30 pages per minute. The single pass duplex scanner (SP 3610SF) ensures further productivity. Print resolution on the other hand is a high 1,200 x 1,200 dpi. To top it off, both devices are suitable for a duty cycle of 50,000 prints while @Remote is included as standard and WiFi connectivity is optional.

## Low Total Cost of Ownership

With a competitive price and low Total Electricity Consumption, the SP 3600SF/SP 3610SF are attractive purchases for small- to medium-sized offices. The PxP toner fuses at a lower temperature than normal, reducing energy costs. Toner consumption can be limited by using the 'toner save' feature. Running costs are driven down further thanks to the separate PCDU and toner. This means you can change them independently, instead of having to replace the complete all-in-one cartridge.

## Compact and easy to operate

Thanks to their small footprint, the SP 3600SF/SP 3610SF easily fit on any office desktop. Full front access is guaranteed for trouble-free maintenance. These devices are also a delight to use thanks to the 4-line LCD panel and short recovery from sleep: ready for action in no time!

## Environmentally friendly

The Ricoh philosophy is to provide optimal performance with the lowest environmental impact. With the SP 3600SF/SP 3610SF's ultra-sleep and ECO modes energy consumption and CO2 emissions are reduced to a minimum. During the design phase, recycled and bio-plastic components are used wherever possible. In addition, power consumption during operation is lowest in class and the use of toner and paper is efficiently managed to save resources.

# SP 3600SF/SP 3610SF

## MAIN SPECIFICATIONS

### GENERAL

Warm-up time:	14 seconds
First output speed:	6.5 seconds
Continuous output speed:	30 pages per minute
Memory:	Standard: 512 MB
Duty cycle:	50,000 prints per month
Dimensions (W x D x H):	400 x 392 x 406 mm
Weight:	19 kg
Power source:	220 - 240 V, 50/60 Hz

### COPIER

Copying process:	Dry, single component & electro-photographic printing
Multiple copying:	Up to 99 copies
Resolution:	600 x 600 dpi
Zoom:	From 25% to 400% in 1% steps

### PRINTER

Printer language:	Standard: PCL5e, PCL6, Adobe® PostScript® 3™
Print resolution:	300 x 300 dpi, 600 x 600 dpi, 1,200 x 1,200 dpi
Fonts:	PCL (45 fonts, International fonts: 13 Intellifonts), PS3 (Emulation) (136 fonts)
Interface:	Standard: USB 2.0, Ethernet 10 base-T/100 base-TX Option: Wireless LAN (IEEE 802.11a/b/g/n)
Network protocol:	TCP/IP (IP v4, IP v6)
Windows® environments:	Windows® XP, Windows® Vista, Windows® 7, Windows® 8, Windows® 8.1, Windows® Server 2003, Windows® Server 2003R2, Windows® Server 2008, Windows® Server 2008R2, Windows® Server 2012, Windows® Server 2012R2
Mac OS environments:	Macintosh OS X Native v10.6 or later

### SCANNER

Scanning speed:	Full colour: A4 (Maximum 6 ipm) B/W: A4 (Maximum 20 ipm)
Resolution:	Standard: 100 dpi, 200 dpi, 300 dpi, 400 dpi, 600 dpi Default: 200 dpi
Original size:	A4
Bundled drivers:	Network TWAIN
Scan to:	E-mail (SMTP Auth, POP before SMTP), USB, SMB, FTP

### FAX

Circuit:	PSTN, PBX
Compatibility:	ITU-T (CCITT) G3
Transmission speed:	G3: 3 second(s)
Maximum:	33.6 Kbps
Scanning speed:	2.5 second(s)
Memory capacity:	Standard: 16 MB
Memory backup:	No

### PAPER HANDLING

Recommended paper size:	A4 A5 A6 B5 B6
Paper input capacity:	Standard: 350 sheets Maximum: 850 sheets
Paper output capacity:	Maximum: 125 sheets
Paper weight:	Paper tray(s): 52 - 162 g/m <sup>2</sup> Optional paper tray(s): 52 - 162 g/m <sup>2</sup> Bypass tray: 52 - 162 g/m <sup>2</sup> Duplex: 52 - 162 g/m <sup>2</sup>

### ECOLOGY

Power consumption:	Maximum: 1,006 W Energy Saver mode: 0.98 W
--------------------	---

### OPTIONS

1 x 250-sheet paper tray, 1 x 500-sheet paper tray, Wireless LAN (IEEE 802.11a/b/g/n)

### CONSUMABLES

Starter toner:	Black: 1,500 prints
PCU yield:	Black: 20,000 prints
Toner cartridge (regular yield):	Black: 3,000 prints
Toner cartridge (high yield):	Black: 6,000 prints
